2026 COLLECTION

Pools & Fountains

Premium pool and fountain solutions designed to transform outdoor and indoor spaces. Our range combines elegant design, durable construction, efficient water circulation, and flexible customization for residential, hospitality, and commercial projects.

Product	Description
Aqua Signature Pool	Modern swimming pool concept with customized dimensions, premium finishing, and efficient circulation.
Aqua Feature Fountain	Decorative water feature designed to add visual appeal and a relaxing ambience to gardens, hotels, and commercial spaces.

Note: Product names, descriptions, specifications, and images in this dummy catalogue are for demonstration purposes only.

Synthetic Grass

High-quality synthetic grass provides a natural-looking, low-maintenance surface for gardens, pool surroundings, terraces, resorts, play areas, and commercial landscapes.

Product	Description
Aqua Green Turf	Soft, realistic artificial grass designed for attractive landscaping with minimal maintenance.
Aqua Landscape Turf	Durable synthetic turf suitable for high-use outdoor areas and poolside applications.

Note: Product names, descriptions, specifications, and images in this dummy catalogue are for demonstration purposes only.

Water Technology

Advanced water technology solutions for filtration, purification, circulation, and efficient water management. Designed to support clean, safe, and well-maintained water systems.

Product	Description
Aqua Filtration System	Efficient filtration solution designed to improve water clarity and support reliable circulation.
Aqua Water Treatment	Water treatment solution for residential, commercial, and recreational applications.

Note: Product names, descriptions, specifications, and images in this dummy catalogue are for demonstration purposes only.

Wellness & Spa

Premium wellness and spa solutions designed to create relaxing, comfortable, and rejuvenating environments for homes, resorts, hotels, wellness centres, and commercial spaces.

Product	Description
Aqua Relax Spa	Contemporary spa concept focused on comfort, relaxation, and a premium user experience.
Aqua Wellness System	Integrated wellness solution designed for modern spa and recreational environments.

Note: Product names, descriptions, specifications, and images in this dummy catalogue are for demonstration purposes only.
